HQ'RS. MILITARY COMMISSIONER, ) 19TH DIVISION OF VIRGINIA, ALEXANDRIA, VA., August 25, 1868.

Special Order No. 3. The order of the General Commanding First Military District S. O. sec. 146, p. 4, Head quarters First Military District, Richmond, Va., dated August 6, 1868, declaring all proceedings had in the Circuit Court of Alexandria county, Va., in the case of J. W. Golden vs. Charles King, to be null and void, and the same set aside, having been complied with in so far as to giving the property into the possession of the said Charles King, and taxing the costs of the case on the plaintiff; it is considered that the continuance of the suit on the motion of the plaintiff's counsel is in direct opposition to the order of the General Commanding, and it is hereby ordered: That the continuance be erased from the docket, and that the case be, and the same is hereby peremptorily dismissed, and the Judge of the Circuit Court of the county of Alexandria, Va., if this order is received in term, or the Clerk of the said Circuit Court of Alexandria county, Va, if this order shall be received in vacation, are hereby charged with the execution of this order, and will take the necessary steps to strictly and completely comply with the spirit of the order of the General Commanding, as set forth in special order No. 146, (a copy of which is on file in the Clerk's office of the Circuit Court of Alexandria county, Va.,) quoted above. S. P. LEE,

Capt. & Br'vt Lt. Col. U. S. A ... Mit. Com'r. 19th Div'n of Va.

This order has been complied with. Col Brent, the able counsel for the plaintiff, has filed a bill of exceptions to be presented to the District Court of Appeals, but what is a bill of exceptions to an "ukase of the Czar?"

DAIRY FARMS .- The suggestion of "Progress," in his letter from Centreville, in yesterday's Gazette, relative to DAIRY FARMS in the adjoining country, on the lines of the Railroads leading to this place, is well worthy the attention not only of the Farmers, but of all connected with the railroads, as well as of the citizens of Alexardria. Butter has been selling for several years past at enormous prices, not justified by the scarcity. The trade is in the hands of monopolizers and speculators at the North, who make out of our people immense sums. The neighboring country could more with all the milk and butter wanted-to the entire exclusion of the Northern butter; if only the proper attention be given, and the proper facilities afforded for bringing in fresh butter to market. What we have before said we repeat; that all the land in Alexandria county should be divided into small market gardens .-These gardens could supply the neighboring markets with the earliest, finest, and choicest vegetables. Now extend the plan; and let our neighbors who have farms along the railroads make arrangements to send every day milk and butter to market. The effect would be visible at once. Both town and country would be benefitted immensely. The Northern railreads secure a large revenue from the transportation of milk and butter to the cities.

BRADDOCK'S ROAD.—Reference was made in the court proceedings yesterday, to "Brad dock's Road." This is the old line of march of Braddock's army from Alexandria to Winchester, on the memorable expedition which ended so disastrously. Traces of the road, as made by the army, are still visible, commen cing just outside of Alexandria, and portions of it still actually used as a country road, in Fairfax, and, perhaps, other counties through which it passes. Old time people will remember when it was the wagon road to Leesburg. The sears on the surface of the earth, caused by military operations, often last longer than solid structures of stone or brick. Our descendants will visit and view, with interest, years hence, the remains of the mounds and earthworks left by the contending forces in the late

TRAIN DELAYED .- The departure of the passenger train of cars on the Alexandria, Loudoun and Hampshire Railroad this morning was delayed some time in consequence of the running off the track, at the Pendleton street crossing, just outside of the depot lot, through an open switch, of the locomotive. The switch had been left open by a freight train which had passed a few minutes before. The delay, however, was not prolonged, nor were any damages sustained either by persons or property. This is the first occurrence of the kind that has ever happened on the road.

RADICAL MASS MEETING.—The committee of arrangements appointed at a late meeting of the Radical party to make arrangements for holding a grand mass meeting of the party in this city met last night, according to previous agreement, at Union League Hall, the colored school house at the lower end of Pitt street and selected Westel Willoughby Chairman Without transacting any further business the committee separated to re-assemble on the call of a majority of its members issued through the Chairman. The time for holding the proposed mass meeting has not been determined.

DISTURBANCE.—There was a disturbance at "Petersburg" this morning, caused by a fight there between two colored women, one of whom was named Alice Boston. By the time the police arrived there, however, the fracas had ceased, and consequently no arrests were made.

POLICE REPORT-MAYOR'S OFFICE. - Pat rick McSherry, for disorderly conduct at the house of Mrs. Kitty Kline, upper end of Fairfax street, was fined and discharged.

Martha Strother, colored, for striking the child of Mr. S. W. Markell, was discharged with a reprimand.

Eliza Haney, a little girl, for abusive language towards Mrs. Catherine Swan, was discharged, and costs of the case assessed against the complainant.

MAGISTRATES' OFFICE. - Harriet Stuart. colored, committed to jail some days ago, charged with receiving stolen goods, was discharged for want of evidence. William Clagett, colored, for hall thieving, was fully committed for Court.

COUNTY COURT.-On motion of W. B. Richards, jr., a rule was awarded against the Sheriff of the county to show cause why the order appointing him committee of W. B.

Richards should not be revoked. Dixon et ux. vs. Chatham's executor-report of commissioners appointed to make partition ordered to be filed.

Will of Joanna Markley proved and recorded. John Howell vs. W. H. Shirley-proof of publication filed, cause docketed, and cause referred to Commissioner in Chancery to report

as soon as practicable. Lowis I. O'Neal, appointed by Gen. Stoneman constable of this county, qualified and

gave bond according to law. Simmons vs. Hill & Latham-motion on forthcoming bond-non tenuit and set offsjudgment for \$27.45 in favor of plaintiff.

George Washington vs. James Robertson, appeal-testimony taken-case argued-judgment for one half the amount demanded. Court adjourned till court in course.

CHRIST CHURCH. - The statement made in some of the Washington papers that a collection was taken up in Dr. Pickney's church in that city, on Sunday last, for the "minister of Christ Church" is incorrect. The collection, if any was taken up, was for the benefit of the missions of Christ church, which are smail churches, located at Fairfax C. II., Centerville and Brentsville, for the support of which the respective congregations are unable to provide, and to continue which Christ church has de-

AT THE FUNERAL of Moses Russell, an aged and respected colored man, which took place from the Methodist Protestant Church on Sunday last, (of which church he is said to have been the only colored member) appropriate addresses were made by the pastor Rev. Mr. Jones, and by Rev. J. B. Wheeler. He was universally respected for his probity and christian deportment-and had the confidence of all of our citizens who knew him.

FALL TRADE. - We are pleased to learn that the indications for a good Fall Trade in Alexan dria, this season, are encouraging. We have already set before our country readers the advantages of trading here, and the preparations that our merchants have made for supplying them with all that they may want, at reasonable rates. Let them try the Alexandria market. They need not go further North.

JUVENILE TEMPERANCE SOCIETY.—The Al exandria Juvenile Temperance Society paraded than supply the markets of Washington and the principal streets of the city yesterday even Alexandria, at a good profit to the farmers, | ing, as mentioned at the time in the Gazette, and made a very creditable appearance—the membership being numerous, and the regalia neat and pretty. The procession, as it marched up Prince street, cheered the Gazette office.

> Social Reunion .- The annual reunion of the old students of St. John's Academy, takes place to-night, the occasion being the 35th anniversary of the organization of the school by the Rev. John Smith. The old boys will doubtless spend a very pleasant evening in recounting their school exploits, and in calling up pleasant memories of the past.

BODY IDENTIFIED .- The body of the youth who was drowned off Blackistone's Island, from the deck of the steamer Fairy, on her way from the late prize fight between Collyer and Edwards, has been identified as that of Charles Campbell, a brother-in-law of a soldier at the arsenal near Washington.

BALL. - The ball at the Potomac Gardens last night was a very pleasant affair. The number in attendance was unusually large, but everything passed off in the most satisfactory manner. The prize to the best dancer-a handsome ladies' work-box-was awarded to Mr. Richard Massey.

HORSE STOLEN.-Mr. Samuel Tapley, residing near Ball's Cross Roads, in this county, had a valuable horse stolen from him yesterday evening between 4 and 6 o'clock, while he was temporarily at the Virginia end of the aqueduct bridge, opposite Georgetown.

Pugilistic.—In an account of a pugilistic exhibition in Washington for the benefit of Barny Aaron, published in the Express of that city, it is stated that Terry Ryan, of Alexandria, took part, and was favorably received by the large audience assembled.

SUNDAY SCHOOL PIC-NIC. - The pic-nic of the Sunday School of the Methodist Protestant Church at Carlin's Springs will be beld tomorrow. Arrangements have been made to render it one of the most agreeable affairs of the season.

BREAK IN THE C. & O. CANAL. - A dispatch from Cumberland announces that a break has occurred in the Chesapeake and Ohio Canal at that place, that will require a week to repair.

A ROOSTER.-It is said that a "Rooster," game at that, which has his domicile in the warehouse of Messrs. Robinson & Son, near the wharf, kills rats equal to a mouser.

Noisy.-Payne street, between Prince and Duke, was rendered very noisy last night by a charivari in progress there.

This magnificent Stove stands in the same reation to other stoves as the precious jewel from which it derives its name does to other jewels. Profiting by past experience, we have thrown into it all the commendable qualities of the most popular Stoves, and have added inventions of our own, rendering it the best combination of philosophy and mechanics now in the market, and making it a perfect stove. By the arrangement the combustion of gasses is perfect, and greater efficiency is obtained to perform what we claim for it, with a great diminution is amount of fuel necessary. It is unequalled every particular, in beauty, in workmanship, in durability, and as a home necessity is peerless. It is a self-feeder, and not likely to get out of order. We earnestly invite comparison of this stove with others, and feel confident its great superiority will insure the preference. handsome and economical stove is for sale by sep 7 ENOCH GRIMES, 43, King st.
